Description

Introducing the brand new Ford Ranger 2.0D XLT 4X4 Double Cab Auto, a perfect blend of rugged capability and modern comfort. Finished in sleek white, this double cab pick-up is ready to take on any adventure with its impressive 125kW diesel engine and advanced automatic transmission. Designed for both work and play, it features a robust towbar, park distance control, and a rear-view camera for easy manoeuvring. Inside, you'll find a smart and connected cabin equipped with Apple CarPlay and Android Auto, climate control, and air conditioning to keep you comfortable on every journey. Safety is a top priority with seven airbags and ABS as standard, complemented by ISOFIX for child safety. The LED lights ensure bright visibility during night drives, while electric windows add convenience. With a fuel consumption of just 7.7L per 100 km and an impressive range, this new Ranger is both economical and reliable. Whether you're heading off-road or into the city, it delivers power, style, and practicality all in one package. Visit Eshowe Ford in Kwazulu Natal to experience this exceptional vehicle today.
