Description

2024 Mahindra Pik Up 2.2CRDe Double Cab 4x4 S6 Refresh Mining in clean white, backed by a full service history, makes this a solid, work-ready choice. The proven 2.2 litre turbo diesel engine delivers strong low-down torque and fuel efficiency, ideal for load-hauling and site work, while the 4x4 system with low range gives dependable traction on rough terrain. Built on a tough ladder-frame chassis, this Pik Up is designed for demanding mining and commercial environments where durability matters.

Inside, the double cab offers practical comfort with supportive seating, air conditioning, power steering and modern infotainment features to keep the crew comfortable on long shifts. Multiple safety features and robust construction support reliable daily use. Even without a warranty, the documented maintenance and Mahindra's reputation for rugged reliability make this bakkie a smart, value-driven option. Ready to go straight to work and earn from day one.
