Description

2023 Toyota Land Cruiser 300 3.3D GX-R in white, with full service history and low running time, offers the peace of mind buyers expect from a modern Land Cruiser. Powered by a 3.3l V6 turbo diesel delivering 225 kW and 700 Nm, it combines strong towing ability with long-distance efficiency. The 110 litre fuel capacity and an average consumption of 8.9 l/100 km give an impressive range of up to 1 236 km, ideal for touring, overlanding and family road trips.

Inside, the GX-R spec focuses on comfort and practicality with spacious seating, quality materials and modern infotainment to keep all occupants relaxed and connected. Advanced 4x4 hardware and electronic driver aids ensure confident performance on and off road, while safety systems and robust build quality add to its reputation for reliability. Even without a remaining warranty, the full service history and Toyota's proven durability make this Land Cruiser 300 a solid, trustworthy choice. Act quickly if you are looking for a well maintained, capable diesel SUV ready for work, travel and adventure.
